

## ONTARIO YOUTH VOLLEYBALL

**Mission:** Monster Volleyball has a mission to prepare young athletes for competitive volleyball by instilling strong fundamentals, confidence, and skills. We feel that it is important for athletes to have an opportunity to have fun and learn volleyball in a safe environment that is close to home.

**Ontario Jr High VB Coach,  
Janet Yeager Swain  
@419-295-2182**

Ontario Volleyball is partnering with Plymouth again this year to offer girls in 3<sup>rd</sup>-8<sup>th</sup> grade a great volleyball experience (no prior experience required). By partnering together we can participate in a camp @ Ashland University with their coach, her assistants and players at a low cost.

The camp with Ashland University will be on **March 15, 16, & 18 from 6pm to 8pm at Ashland University "Kates Gym"**. Following the camp the players will be divided into teams and have practice once a week with a coach at their respective schools.

The players will practice with their coaches on learning fundamental volleyball skills and how to play game like situations on Wed.'s in March and April. Players will also compete in weekly games on Friday's in April.

Each player will receive a game jersey, volleyball, their weekly practices & games, entry to the end of season tournament and entry to the AU camp for a fee of **\$60.00**, which needs to be paid on or before **March 1st**. Late registrations / payments will not guarantee a game jersey or volleyball.

**Parents Meeting will be March 3<sup>rd</sup> at the Ontario High School Cafeteria at 6pm.**

## Players Information
