Camp Directors

Scott Kreger and Varsity football coaching staff

Purpose

The goal of the Warrior Football Camp is to get the young men involved in football. We want them to learn the basics and fundamentals of the game. We want to teach them the safe and correct way to play the game so that when they get into the OYS and middle school level of competition, they are prepared and ready to play the game correctly and safely and ultimately, have fun! We will teach the young men the fundamentals of blocking, tackling, running and throwing. We will also introduce the components of stances and special teams.
