

Ontario Transportation Department

Dear Parent or Guardian,

Our goal is to transport students to and from Ontario Schools safely and in a timely manner. Attached you will find some rules and guidelines that will help everyone have a safe and successful school year. It is important that everyone works together so we can achieve this goal.

The bus drivers at Ontario are all trained professionals that truly care about the students and their safety. They have a great responsibility everyday transporting the most important cargo there is, our students.

I would appreciate it if you and your children would take a few minutes to review these rules and guidelines. If you have any questions or concerns, please call the transportation department at (419)529-3814

Thank you,

Patrick Duffner

Director of Transportation

Bus Conduct Reports

The bus driver will fill out a bus conduct report and give it to the Director of Transportation. It will describe what the child has done.

1st Notice – The Director of Transportation will call parent or guardian and explain what the child has done and ask that they talk with the child. No actions will be taken unless it is a serious or flagrant violation.

2nd Notice –The notice will be given to building principal or school counselor and they will talk to child.

3rd Notice – This notice will go to the building principal and could result in suspension of bus privileges.

We ask parents to talk to their children and explain to them how important it is to follow all bus rules for their safety and for the safety of others. It is important that the driver's full attention be on driving the bus, not dealing with children disobeying the rules.

At times there will be sub drivers on the routes and we expect the children to act the same as when the regular driver is driving.

Bus Passes

Any student that needs to get on or off the bus at a stop different than their primary stop will need a bus pass from the school office or permission from the transportation office.
