Due to the amount of paper work that you will be filling out, we recommend that children not attend registration with you. An appointment for your child's kindergarten screening will be made when you register your kindergartner.

Parents need to bring the following documentation with them to registration:

1. Child's birth certificate
 - Child must be five years old on or before August 1, 2014.
2. Child's immunization record
3. Child's social security card or number
4. Custody papers if applicable
5. Proof of residence (current utility bill or lease agreement)

2016

If you know of a parent who has a child the right age for kindergarten, please pass this information along to them.
