

## **Mission Statement**

The Ontario Local Schools Athletic Department, along with our Administration and the Board of Education, is dedicated to providing student-athletes with rich interscholastic programs which encourage our student-athletes to grow as individuals, teammates, and leaders through both victory and adversity.

Our philosophies are built on the development of life-long values such as character, discipline, grit, maturity, and competitive spirit, while simultaneously protecting and acknowledging the mental health welfare of our student-athletes.

Along with the pursuit of excellence, developing our student-athletes into respectful, honorable, and responsible citizens of our community is a principle objective and vital component of our success.
