# IT 4 Instructions

Most individuals are subject to Ohio income tax on their wages, salaries, or other compensation. To ensure this tax is paid, employers maintaining an office or transacting business in Ohio must withhold Ohio income tax, and school district income tax if applicable, from each individual who is an employee.

Such employees who are subject to Ohio income tax (and school district income tax, if applicable) should complete sections I, II, and IV of the IT 4 to have their employer withhold the appropriate Ohio taxes from their compensation. If the employee does not complete the IT 4 and return it to his/her employer, the employer:

- Will withhold Ohio tax based on the employee claiming zero exemptions, and
- Will not withhold school district income tax, even if the employee lives in a taxing school district.

An individual may be subject to an interest penalty for underpayment of estimated taxes (on form IT/SD 2210) based on under-withholding.

Certain employees may be **exempt** from Ohio withholding because their income is not subject to Ohio tax. Such employees should complete sections I, III, and IV of the IT 4 **only**.

The IT 4 does <u>not</u> need to be filed with the Department of Taxation. Your employer must maintain a copy as part of its records.

R.C. 5747.06(A) and Ohio Adm.Code 5703-7-10.

# Section I

Enter the four-digit school district number of your primary address. If you do not know your school district of residence or its school district number, use *The Finder* at **tax.ohio.gov**. You can also verify your school district by contacting your county auditor or county board of elections.

If you move during the tax year, complete an updated IT 4 immediately reflecting your new address and/ or school district of residence.

### Section II

<u>Line 1:</u> If you can be claimed on someone else's Ohio income tax return as a dependent, then you are to enter "0" on this line. Everyone else may enter "1".

<u>Line 2:</u> If you are single, enter "0" on this line. If you are married and you and your spouse file separate Ohio Income tax returns as "Married filing Separately" then enter "0" on this line.

<u>Line 3:</u> You are allowed one exemption for each dependent. Your dependents for Ohio income tax purposes are the same as your dependents for federal income tax purposes. See R.C. 5747.01(O).

<u>Line 5:</u> If you expect to owe more Ohio income tax than the amount withheld from your compensation, you can request that your employer withhold an additional amount of Ohio income tax. This amount should be reported in whole dollars.

**Note:** If you do not request additional withholding from your compensation, you may need to make estimated income tax payments using form IT 1040ES or estimated school district income tax payments using the SD 100ES. Individuals who commonly owe more in Ohio income taxes than what is withheld from their compensation include:

- Spouses who file a joint Ohio income tax return and both report income, and
- Individuals who have multiple jobs, all of which are subject to Ohio withholding.

# Section III

This section is for individuals whose income is deductible or excludable from Ohio income tax, and thus employer withholding is not required. Such employee should check the appropriate box to indicate which exemption applies to him/her. Checking the box will cause your employer to not withhold Ohio income tax and/or school district income tax. The exemptions include:

- <u>Reciprocity Exemption:</u> If you are a resident of Indiana, Kentucky, Pennsylvania, Michigan or West Virginia and you work in Ohio, you do not owe Ohio income tax on your compensation. Instead, you should have your employer withhold income tax for your resident state. R.C. 5747.05(A)(2).
- Resident Military Servicemember Exemption: If you are an Ohio resident and a member of the United States Army, Air Force, Navy, Marine Corps, or Coast Guard (or the reserve components of these branches of the military) or a member of the National Guard, you do not owe Ohio income tax or school district income tax on your active duty military pay and allowances received while stationed outside of Ohio.

This exemption does not apply to compensation for nonactive duty status or received while you are stationed in Ohio.

R.C. 5747.01(A)(21).

- Nonresident Military Servicemember Exemption: If you are a nonresident of Ohio and a member of the uniformed services (as defined in 10 U.S.C. §101), you do not owe Ohio income tax or school district income tax on your military pay and allowances.
- Nonresident Civilian Spouse of a Military Servicemember Exemption: If you are the civilian spouse of a military servicemember, your pay may be exempt from Ohio income tax and school district income tax if all of the following are true:
  - Your spouse is a nonresident of Ohio;
  - You and your spouse are residents of the same state;
  - Your spouse is stationed in Ohio on military orders; and
  - You are present in Ohio solely to be with your spouse.

You <u>must</u> provide a copy of the employee's spousal military identification card issued to the employee by the Department of Defense when completing the IT 4.

Note: For more information on taxation of military servicemembers and their civilian spouses, see 50a U.S.C. §571.

- <u>Statutory Withholding Exemptions</u>: Compensation earned in any of the following circumstances is not subject to Ohio income tax or school district income tax withholding:
  - Agricultural labor (as defined in 26 U.S.C. §3121(g));
  - Domestic service in a private home, local college club, or local chapter of a college fraternity or sorority;
  - Services performed by an employee who is regularly employed by an employer to perform such service if she or he earns less than \$300 during a calendar quarter;

- Newspaper or shopping news delivery or distribution directly to a consumer, performed by an individual under the age of 18;
- Services performed for a foreign government or an international organization; and
- Services performed outside the employer's trade or business if paid in any medium other than cash.

\*These exemptions are not common.

Note: While the employer is not required to withhold on these amounts, the income is still subject to Ohio income tax and school district income tax (if applicable). As such, you may need to make estimated income tax payments using form IT 1040ES and/or estimated school district income tax payments using form SD 100ES.

See R.C. 5747.06(A)(1) through (6).

# **General Instructions**

# **Future Developments**

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

# **Purpose of Form**

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

**Exemption from withholding.** You may claim exemption from withholding for 2021 if you meet both of the following conditions: you had no federal income tax liability in 2020 and you expect to have no federal income tax liability in 2021. You had no federal income tax liability in 2020 if (1) your total tax on line 24 on your 2020 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2021 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2022.

Your privacy. If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

- 1. Expect to work only part of the year;
- 2. Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
- 3. Have self-employment income (see below); or
- 4. Prefer the most accurate withholding for multiple job situations.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

# **Specific Instructions**

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 972, Child Tax Credit and Credit for Other Dependents. You can also include other tax credits in this step, such as education tax credits and the foreign tax credit. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

### Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2021 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay each pay period, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

# Step 2(b) - Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

**Note:** If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

1	<b>Two jobs.</b> If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, <b>skip</b> to line 3	1	\$
2	<b>Three jobs.</b> If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.		
	a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a	2a	\$
	b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b	2b	\$
	c Add the amounts from lines 2a and 2b and enter the result on line 2c	2c	\$

	Step 4(b) - Deductions Worksheet (Keep for your records.)		
1	Enter an estimate of your 2021 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 10% of your income	1	\$

# REQUEST FOR EXEMPTION FROM MEMBERSHIP

The following employees may request exemption from SERS membership:

- A student who is not a SERS member at the time of employment and who is employed by the school, college, or university in which the student is enrolled and regularly attending classes, or
- An emergency employee serving on a temporary basis in case of fire, snow, earthquake, flood, or other similar emergency. A substitute employee is not an emergency employee.

An exemption is in effect for as long as the employee is continuously employed in the same position and continues to meet the requirements of the exemption. If a person no longer meets the requirements for the exemption, the employee should complete a Membership Record (Form 25.52) and contributions to SERS should begin.

This request must be completed and filed with the employer within the first month of employment to be valid.

I have reviewed this form and choose an exemption from SERS membership because I am:

# Annual Notice about Participating in Your Employer's 403(b) Plan

Ontario Local School District maintains the Ontario Local School District 403(b) Plan (the "403(b) Plan").

The following information is intended to provide you with information about the opportunity to participate in the 403(b) Plan, including the maximum amount under the Internal Revenue Code ("IRC") that may be contributed to the 403(b) Plan.

## What are elective deferrals?

The 403(b) Plan may permit you to reduce your compensation by electing to contribute a percentage or dollar amount to the 403(b) on a pre-tax (and, if permitted by the 403(b) Plan, on a Roth after-tax) basis.

# How much can I contribute annually to the 403(b) Plan?

In general, you may make elective deferrals (including Roth 403(b) contributions) to the 403(b) Plan up to \$19,500 in 2020 and up to \$19,500 in 2021. The Internal Revenue Service ("IRS") may adjust this dollar limit annually for cost of living. In addition, the 403(b) Plan may permit you to contribute additional amounts under the 15 Years of Service Catch-up and/or the Age 50+ Catch-up. Please contact your employer for additional information about these catch-up contributions.

What do I need to do to begin contributing elective deferrals or to change my current elective deferral contributions to the 403(b) Plan? The 403(b) plan document identifies those employees who are eligible to participate in the 403(b) Plan. If you are eligible to participate in the 403(b) Plan, you may begin contributing to the 403(b) Plan by completing and returning a salary reduction agreement to your employer. In addition to the salary reduction agreement, you must also establish an account with investment provider(s) approved under the 403(b) Plan; you may also need to provide any additional information that may be required to enroll you in the 403(b) Plan.

If you are already currently contributing to the 403(b) Plan, you may be able to increase your pre-tax elective (and Roth 403(b), if permitted under the 403(b) Plan) contributions by completing and returning an updated salary reduction agreement to your employer.

Your employer can also provide you with information about who is eligible to participate under the 403(b) Plan, the forms needed to participate, and any additional protocols.

# What is the total amount of employer and employee contributions that can be made annually to my 403(b) account?

In general, the total of all employer contributions, employee contributions (other than the Age 50+ Catch-up) and forfeitures allocated to your 403(b) account in 2020 cannot be more than 100% of compensation up to \$57,000. In 2021, that dollar limit increases to \$58,000 and is subject to IRS cost of living adjustments each year.

If you participate in (1) more than one 403(b) Plan or (2) in another employer's 401 qualified plan (including but not limited to a pension plan or 401(k) plan) or simplified employee pension plan *and* you have more than 50% ownership interest in that other employer:

- The IRC requires that contributions to those plans be combined with contributions to the 403(b) Plan for a single total contributions annual limit; and
- You are responsible for providing this information to the employer that provided this notice to you. The employer may ask you for additional contribution information about those other plans in order to monitor total contributions made to your 403(b) account in accordance with the IRC. Any excess received over the IRS annual contributions limit (including in coordination with other plans) must be corrected via your participant account under this 403(b) Plan.

Failure to provide necessary and correct information to your employer about your participation in other retirement plans could result in adverse tax consequences to you, including the inability to exclude contributions to the 403(b) Plan under section 403(b) of the Internal Revenue Code.

1

This Notice is being provided to you because your employer has adopted the Voya Retirement Insurance and Annuity Company 403(b) Volume Submitter Plan. Your employer is responsible for notifying you of Internal Revenue Service requirements regarding annual contribution limits. This Notice is intended as general information only and is not tax or legal advice. (Rev 11/20)
