The board and members of the Ontario Music Boosters are embarking upon a new journey. Over the last 5 years our music programs have grown rapidly. In fact, they have grown so much that they are in need of your assistance. The newly named Ontario Music Boosters supports both band and choir ensembles in the Ontario School District. Simply, our mission is to raise funds that will help create an atmosphere of encouragement and awareness for Ontario Student Musicians; ensuring a lifelong love of music.

The need is great, but with your support we can exceed our current goal of \$70,000. This will cover the cost of replacing 30-year-old raincoats, purchasing choir robes, creating an instrument repair and replacement program, ensuring sheet music is available for both programs, as well as meeting the needs of the Marching Band Auxiliary programs.

Please consider joining the Ontario Music Boosters Director's Circle. This is a brand new program designed for annual giving with fun benefits to you, our supporter. Alumni supporters will be given distinct recognition and invitations to special Alumni events, when we can host them. To become a Director Circle member, simply choose your level of support below, fill out and return the enclosed form. For recognition in the first edition of *Ontario*

Performing Arts PRESENTS, please return no later than October 1, 2020. Memberships received after that date will be recognized in the next possible edition.
