The board and members of the Ontario Music Boosters are embarking upon a new journey. Over the last 7 years our music programs have grown rapidly. In fact, they have grown so much that they are in need of your assistance. The newly named Ontario Music Boosters supports both band and choir ensembles in the Ontario School District. Simply, our mission is to raise funds that will help create an atmosphere of encouragement and awareness for Ontario Student Musicians; ensuring a lifelong love of music.

The need is great, but with your support we can exceed our current fundraising goal. With the help of community support over the last 2 years, we have raised funds to replace 30-year-old raincoats, purchased choir robes, met the needs of our Auxiliary program and started a Scholarship Fund in the name of Mr. David Lyerly & Mrs. Rebecca Arnold. Over the next 5 years, we would like to replace Show Choir Dress, Marching Band Uniforms, and create more experiences for our Performing Arts students.

Please consider joining the Ontario Music Boosters Director's Circle. This is a program designed for annual giving with fun benefits to you, our supporter. Alumni supporters will be given distinct recognition and invitations to special Alumni events. To become a Director Circle member, simply choose your level of support below, fill out and return the enclosed form. For recognition in the first edition of *Ontario Performing Arts PRESENTS*, please return no later than October 1, 2023. Memberships received after that date will be recognized in the next possible edition.
